

Attorney Matthew Kinell appointed to ECHO Board of Directors

On September 13, 2013, Attorney Matthew Kinell was appointed for a three year term to the Board of Directors of Eastern Connecticut Housing Opportunities, Inc. (ECHO). ECHO's mission is to provide affordable housing to families residing in Eastern Connecticut whose family income is too low to support the purchase or rental of a home at market rates in the communities in which they work and wish to live.

In addition to his Board duties, Attorney Kinell and Waller Smith & Palmer will also provide two pro bono real estate closings a month to families purchasing homes through ECHO programs.
