

WS&P Partner elected Board President of the Eastern Connecticut Symphony Orchestra

We are proud to announce that Catherine Marrison has been elected as the 32nd President of the Board of Directors of the Eastern Connecticut Symphony Orchestra. The ECSO, which was started in 1946 and now features more than 75 musicians, including many from the Coast Guard band, has annually performed six concerts at The Garde and additional concerts in other community venues. Due to the pandemic, the ECSO has been limited to performing smaller, outdoor concerts, while planning for concerts to resume at The Garde when it is safe for musicians and audiences. The ECSO also serves the community through its "Music in Our Schools" program. Waller, Smith & Palmer is honored to be a long-time supporter of the ECSO and we are grateful for its contribution to the greater New London community.
