

Proudly Supporting Eastern Connecticut Symphony

Waller, Smith & Palmer, PC is proud to be a supporter of the Eastern Connecticut Symphony, an integral member of the greater New London community. We congratulate the ECSO on its 75th anniversary and encourage everyone to join them in their celebration over the next year. The October concert will be the first time the symphony has played at the Garde since early 2020. Attached is a link to the season brochure. We hope to see many of our friends, colleagues, and clients at the Garde!
