

Supplemental Security Income Recipients Will Receive Automatic COVID-19 Economic Impact Payments

The Social Security Administration has announced that Supplemental Security Income (SSI) recipients will receive automatic Economic Impact Payments directly from the Treasury Department. Treasury anticipates these automatic payments no later than early May.

SSI recipients who have qualifying children under age 17, however, should not wait for their automatic \$1,200 individual payment. They should now go to the IRS's webpage at www.irs.gov/coronavirus/non-filers-enter-payment-info-here and visit *the Non-Filers: Enter Your Payment Info* section to provide their information.

The SSA will not consider Economic Income Payments as income for SSI recipients and the payments are excluded from resources for twelve months.
